Four Pillars Collective is a not-for-profit team of elite operator veterans committed to using their skills to provide police and security personnel with proven tools to reduce conflict, prevent violence and restore confidence in law enforcement.

The Need

Crime Rates are Rising*

+30% Homicides vs 2019
+8% Aggravated assault vs 2019

Officers are Resigning**

+45% Officers retiring early vs 2019
+25% Officers resigning vs 2019

Public Confidence is Low*

-16% Confidence of Black Americas in Police vs 1994
-40% Confidence of Black Americas in Police since George Floyd's death

"If everyone received this training at the inception of their careers, our country would be in a much more peaceful place."

"It is about time someone does something to address our lack of budget and training."

The Opportunity

SPECIAL OPERATIONS COMBAT VETERANS are one of our country's most under-utilized resources. These elite operators have been trained and proven in some of the most dangerous environments on the planet. Four Pillars Collective allows them to continue their service by training your local law enforcement and security personnel with proven tools in de-escalation, physical control and critical thinking.

The Four Pillars

WE ARE GUIDED BY the four pillars of the National Security Strategy: security, prosperity, shared values and international order. Without security there can be no prosperity. And when shared values are no longer shared, social strife and conflict are inevitable. Shared values enable the establishment of the strongest possible bonds within communities.

The Programs

TRAINING PROGRAMS RUN from one to five days and consist of one-on-one drills as well as group demonstrations. Content can be adapted to local needs but include topics such as:

- Stress Mitigation
- Emotional Intelligence
- De-escalation of Force
- Defensive Tactics
- Crowd Control
- Hostage Rescue
- Situational Awareness
- Vehicle Extractions
- Close Quarter Weapon Retention
- Hall and Stairway Defensive Tactics

"Hands-down the best training I've received during my 21 years in law enforcement."

4PC Founder, Jason Henderson, served as a SEAL for more than 30 years and has black belts in Brazilian jiu-jitsu and Judo.

"This training provided a comprehensive and realistic approach to improving law enforcement officers' abilities to effectively maintain peace and order through nonviolent-conflict resolution—an absolute necessity in today's inflammatory and politically charged climate."

The Goal

FOUR PILLARS COLLECTIVE is currently active in 4 major U.S. cities and has trained over 500 officers. By 2025 our goal is to be in 24 cities and to have trained 3,000 individuals. To achieve this goal, we need to raise **\$1.5 MILLION**.
